LUCAS-CIDE: Finalist in American Spa's 2022 Professional Choice Awards

Toledo, Ohio – January 24, 2023 – Lucas Products Corporation, manufacturer of disinfectants and personal safety products, today announced that LUCAS-CIDE® Salon & Spa disinfectant was chosen as a 2022 finalist in *American Spa's* annual readers' choice awards. Thousands of spa decision-makers voted via write-in survey to share their picks for the top products, manufacturers, and more.

"We are thrilled that LUCAS-CIDE was voted as a finalist in *American Spa's* 'Favorite PPE/Sanitation Line.' The recognition is especially rewarding for us as we see it as validation from industry professionals that they value LUCAS-CIDE as a safe, yet gentle, cost-saving disinfectant," said Robert Urfer, Owner and President of Lucas Products. "Thank you to those who voted and to *American Spa*. We will continue investing in the latest chemistry, efficacy, and testing in disinfectant safety while ensuring the most competitive price on the market."

LUCAS-CIDE® appears on the EPA's [List N](#) and [List Q](#). It is available for purchase through Lucas Products Corporation's distribution network or at www.lucasproducts.com.

For more information, please contact Lucas Products Corporation at sales@lucasproducts.com for your disinfectant and personal safety needs.
